Advanced Felling for The
Professional

This class is for the ordinary person
who knows how to use a chainsaw

Basic felling techniques will be
discussed while explaining the
correct way to fell timber.

We will instruct you how to
safely get challenge trees on the
ground.

Class participants are required
to bring their own safety gear
and chainsaw to the class.

The class will start at
8 AM and end at 4 PM.

Private group instruction can
be scheduled for your company or
group of 15 people. Contact
LOGGER RESCUE CT for
scheduling.
